## [Run Report 2031: SirKumsize & Concorde with Octoberfest @ Hamer Park Mt Lawley](#)

### Van Driver next week 16<sup>th</sup> October 2017 is Elf

### **SUBS ARE NOW DUE – PAY BY AGM AND GET 6 DRINK TOKENS TO START OFF THE NEW H4 YEAR**

**Preamble:** Plenty of sweaty and fit bodies in the park tonight excepting H4 of course. **Sir Kumsize** ascends and tells us all to enjoy the run and drink stop ahead of us.

**The Run:** A tightly and faintly set run kept us weaving back and forth between the quadrant in the parametric bordered by North Street, Second Avenue, Clifton Crescent, Sexton Road and back through the bounds of Hamer Parade, Central Avenue and Woodsome Street before traversing Hamer Park and on home. All the while, **Concorde** was trying to remember which way the run proceeded (he set it the day before but somehow because of the copious amount of lager he consumed, whatever brain cells avoided destruction were void of recollect able worth). Drink stop was back at home – an esky laden with O'oetinger Lager from abroad).

**Circle Up & Visitors/Returns:** **Assassin, Boof, Mr P, Tagg, Dick Van** and the Roebourne nigger breeding twins were back from their travels.

**General Business:** **C-Man** reminds us of the Hangover Bay weekend 21<sup>th</sup> and 21<sup>st</sup> October. **Halfway** reports 8 attended the Sundowner Friday last (Concorde was cut short at the bar during happy hour) and requests numbers for the triskaidekaphobia luncheon at Ten-ten this coming Friday. **Coops** has secured the launch in Fiji Thursday before IH18 and needs \$75 deposits from those wishing to poop the deck. **Assassin** has a rego for IH18 going cheap. **Screwdriver** is planning a downhill velocipede post ramble on the Monday following IH18 and needs more participants to get the costings down. **Baron** advises Perth H3 are having their 2500<sup>th</sup> run celebration 21<sup>st</sup> January 2018 at a cost of \$30 for a meal and two drinks and he will be canvassing numbers of H4 members attending over the coming weeks. **XYZ** reports that Hobart was freezing during their run celebrations recently however he was warmed by the fact that he managed to lose **Precious and Tagg** (but not **Tagg's** sister) for most of the event. **Mullett** solves the conundrum of fitting 12 Jews into a Mini Minor by using the ashtray.

**Charges:** **Screwdriver's** journey to hash tonight was soured on two instances – the first when he passed **Cookie's** mansion only to find that the esky had not been put out for him and secondly when he encountered all the fitness fanatics at the entrance of Hamer Park, throwing him off his wind down after a hard day at the office. **Barrelina** was bereft of humour whilst **Arseholio** was enveloped with ice. **C-Man** brought humour to the gathered when he informed us he was trying to get fit.

**WOW:** **Dags** with a four syllable job – actually 2 x 2 – “Straya” and “Yobbo”. **MauSei** steps forward with two nominations, **Tampax** and his camera arriving early, **Harvey Wallbanger** who found last week's cheese for nibbles today and it had turned into penicillin so had to be jettisoned, **MTM** for smelling like a warehouse and **Shit Scraper** for his Friday night escapade with the constabulary and **Wimpy's** relatives at the Esplanade Train Station (yes **MauSei** had only **two** nominations). The other WOW shirt wearer present tonight **Assassin** blames **Coops** for costing him \$30 for a taxi to hash. WOW is **Shit Scraper**.

**Run Report:** **Bravefart** was magnanimous about the faint markings and scored it 9/10 before deducting a point for the drink stop being at the end of the run therefore making it 8/10.

**Next week's run:** **Cookie** tells us (as his co-hare **Boof** enjoys an icing) that it will be at Baden Park with the theme ‘We're all getting old’ so wear suitable attire that reflects your age (other than your droopy skin and body parts).

**Hares Act:** Dressed in lederhosen the hares reel off a debaucheries version of Ein, Swine, and Suffer (which we all did [I was reliably informed that the rehearsal was well done]).

**Song:** **Assassin** in honour of Canadian Independence day today leads us into #1.

**H4 Hashhouse:** Wieners and Sauerkraut.

**ON ON Scrotus.**
