[Run Report 2056: Hardcase @ Percy Doyle Reserve](#)

Preamble: And the rain came well some drizzle anyway, just to test the new shelter on the van. With **Replicar** shouting directions the crew managed to get it up. 32 hashers tonight

The Run: We stated our clockwise run from Percy Doyle Reserve headed around the park then towards Marmion, North to Warwick, into an alley way, across Wandoo, into another alley, across Coolibah Park into Manuka, another alley out in Currajong, left into Virgilia St, more alleys, right into Marri, across Lilburne into Sulina, more alleys to Noel Gannon Park, through Castlefern Park. The drink stop was across from **Habb's** house. So he and **Slops** made an appearance to everyone's delight. We set off again down Angus left onto Lennoxtown right onto Cambridge Way, left into Garton, down another alley to Dundee, straight into the alley to Portree Way, through the alley to Warwick into the alley to Gaston into Poynter and home. A great run by my reckoning.

Circle Up & Visitors/Returniks: **Popeye** from a trip to Cambodia Nash Hash.

General Business: **Cookie** came to tell a story about **Popeye's** trip but what happens away stays away!

Boof & Bravefart English all out for 58 runs. Did they cheat?

Mel Adjusted a reminder about the SOP Bunny run on Thursday @ the Narrows 6.30 start. Bunbury H3 will be there selling regos for their 2000th. **Rads** the hash lunch will be on Friday the 13th. **Cookie** there will be some Offshore shirts for sale to members who aren't going to Fiji.

Charges: **Spud** charged **Elf** with taking so many shitty out of focus photos to use in the annual.

An accolade to **Spud** for his work on the annual. **Pole Polisher** an accolade to **Cookie & Hardcase** for working together on the loops in Bali & Duncraig. The GM charged **Rads & Sheep Thrills**, + **Cookie** for calling the GM a fat walking cnut. The GM again charges **Sheep Thrills** for trying to poke holes in the new shelter with his umbrella. **Donka** railroaded for a phone in the circle. Ice. **Concorde** later admitted it was his phone in his bag that rang. **Concorde** on ice for talking, Trump Card used, **Popeye** on ice.

WOW: Word: Curmudgeon - Bad Tempered, difficult, cantankerous.

On this Day:

1941, The Italian Navy uses a "manned torpedo" to sink a British cruiser at Suda Bay. The warhead would detach giving the pilot time to get away before impact. They were called "chariots" and had an obvious improvement on the Japanese Kaiten a suicide torpedo.

Nominees:

Sheep Thrills, multiple infractions including potential damage to Hamersley Hash property, phone use during the run and circle and general disrespect. **Donka** for alleged phone use in circle, **Voodoo** for something we haven't caught him for. **Mullet** nominated for something the RA lost interest in and **Concorde** for producing his Trump Card after sitting on ice demonstrating he was a stupid wanker.

Sheep Thrills continually interrupting the RA eventually made him a shoe in as this week's Wanker.

H4 Honors: Tonight we congratulate: None tonight

Jokes: Pole Polisher Cardinal Pell is happy he is not the only one to get caught ball tampering

Run Report: VooDoo Plenty of loops & loops, rained a little. 8/10

Ice: Donka, Concorde, Popeye, Boof & Bravehart.

Next week's run: Troppo, Warrandyte Park Craigie.

Next Week's Bus Driver: Popeye.

Hash Lunch: Friday the 13th. watch this space

Hares Act: Hardcase told us a poem. Memories of a child of the fifties.

Song: Popeye

H4 Hashhouse: Chicken & curries vegies. It was excellent.
