Run Report 2057: Bravefart @ Warwick open space.

Preamble: The forecast was for light showers tonight so the new shelter was set up in case. The RA stepped up to the plate & chased the showers away. Scrotus Maximus is back from his sickbed though he sounds if he should still be there. The hare was still out setting trail when I got there, but Bravefart got back in plenty of time to send us off. The instructions you're on chalk & Flour.

The Run: Well we headed North towards Warwick Rd with 3 falsies by the time we got to Warwick Rd, West on Warwick then into the bush. We followed the trails around, then out onto Erindale road. Around the streets of Warwick, with more falsies, to Beach Rd, then headed towards Wanneroo Rd, the walkers turned into Lloyd Dr on home.

Circle Up & Visitors/Retuniks: The boys are back from Malaysia & Thailand. **Dags, Arseholeo, Kazi, Halfway, & Shit Scraper.**

General Business: Mullet is straight out to complain about the Grand Poobah of the coffee club Donka, they have moved to a new Venue. Kazi an accolade to Dags for wearing the Wanker shirt with pride on every run he did while away, & completed a Dirt Road run. Precious is a great grandfather again & is putting a carton on. MTM is away until October, Donka, & XYZ are going away as well, just not for as long. The RCH3 Pink Breast run is on the 17th April at Governor Reserve Rockingham @ 7pm cost \$15.00. KBH3 200th has changed the date to the 11th August 2018. The Offshore Run in Nadi is all set ice is ordered for the couch.

There is a committee meeting on the 18th April not the 24th as I mentioned in the circle at my house all are welcome.

Charges: Hardcase on Mullet if you're going to eavesdrop get closer, they were talking about a Tapas bar in Pemberton. Donka on Mullet, He is invited to the coffee club, but he shits too much to get there. Reversed.

Screwdriver on Halfway. Traditions of Hamersley must be upheld. Halfway for showing disrespect to the Songmaster Bravefart. Halfway's defence overruled by the GM. Kazi on Halfway for sending a video of pole dancing on WhatsApp. Reversed. Stir on Cow Cunt for putting the light is a position to blind the circle, Squirt found guilty. Drinks to the guilty.

WOW:

Word: Petty Fogger: Person who bickers endlessly of unimportant, irrelevant or frivolous things.

One this day:

1865 - General Lee surrenders, ending the American Civil War.

1959 - NASA introduces the first American Astronauts. The 7 are selected out of 32 candidates, all test pilots. They pioneer the first NASA project, the Mercury project.

1992 Window 3.1 is released, and is considered a commercial success. Unlike Windows 1 in 1985 which had very poor reviews.

Dags has swapped a smelly shirt for a well travelled one.

An RA's Disturbed Sleep

Thursday 22 March 2018

1:46am RA's phone goes off, has phone beside him as part of his work, and other current emergencies, the WhatsApp goes off and **Halfway** sent a picture with a message asking the men of Hamersley to spot the wanker.

4:44am Phone goes off again this time **Coops** chimes in asking if **Halfway** if he means wankers, "plural".

5:14am The RA's sleep is further disturbed with **Bravefart** suggesting **Scraper** should be wanker as he got **D.A.G.S.** home.

Friday 23 March 2018

12:15am RA's phone goes off again! **Halfway** sends more photos. This time of a stubbie holder that looks like a ball bag. He alludes that our Grand Master was hanging off a rail in the bus! Furthermore he complains that **Gas Man** pulled a hot tart.

1:06am **Gassy** brags about his conquest and also decides to throw in his support of **Scraper** being a wanker.

1:49am Just nodded off and the phone goes off again. This time it is **Stir** claiming it is not **Gasman's** prowess but bravado and a big wallet.

5:03am Thought my alarm had gone off but not the case. **Wimpy** wades in complaining that the Hamersley men on tour kept him awake, while he is unaware the he had just roused the RA before he needs to be up.

So after all that it is the RA's prerogative to issue demerit points over this early morning incident.

They all get a demerit point for waking their RA up.

Another demerit to the ones complaining about being kept awake.

A demerit for whinging about a Hamersley bloke's good fortune.

A demerit for ball tampering of the GM.

1 demerit for suggesting a wanker when the RA had not called for one as he was asleep until some pricks woke him up.

The Results, in ascending order.

Coops 1, Wimpy 2, Gasman 2, Stir 2, Bravefart 2, Halfway 3

Halfway becomes the RA's nomination.

Scraper is nominated by **Halfway** and **Wimpy** for sins abroad.

Kazi gets himself nominated trying to nominate someone else.

Arseholeo for his dog.

Disgraceful for being a cheeky wanker.

With his demerits, further accusations and being the popular choice, **Halfway** is awarded the international standard wanker's shirt brought home by **D.A.G.S.**
