Run Report 2058: C Man @ Beale Park.

Preamble: Well a great night for hashing 44 men here in Spearwood, including a long time gone H4 man, & the painter of the van. I think it was the promise of a great run & a spectacular feed.

The Run: We started in Beale Park, next to the Cockburn City Soccer Club. Out onto Kent St, left into Hamilton Rd to a false. After a short search the trail went west on Gorham Wy, more false trails into Ferris Wy. We headed into Beeliar Regional Park, and followed trail uphill & down to the navigation light. Then off down more trail to Manning Park, around the Lake to Phoenix Rd. Then through the streets back to home. **Circle Up & Visitors/Retuniks:** Mulloway, Pumpkin, Rasputin, Coops, Hippo, & Tagg. Also a visitor Gummy (who painted the van).

General Business: Rocky City H3's pink breast run on the 17th was well attended. Those going to Bunbury H3's 2000th see **Shit Scraper** about some accommodation. Committee Meeting at **Mel Adjusted's** house. Fiji is all organised, the act has had some rehearsals.

Charges: **Mel Adjusted** charged **Tagg** with leaving his annual behind last time he was at hash. The GM charged **Mother** about a comment run the circle not the run. Ice for **Mum. Mullet** charged **Kazi** for new shoes **Kazi** got to drink out of one.

WOW:

Word: Buttress: A projection from a wall to give additional support. Gothic architecture was big on buttresses, not to be mistaken on **Screwy** being big on **Buttless**.

On this day:

1746: Battle of Culloden, Scots got their arses kicked by the English, last battle fought on British soil.

1943 LSD effects discovered and documented by the inventor, Albert Hofmann, a Swiss chemist working at the Sandoz pharmaceutical research labs, accidentally consumes LSD-25, a synthetic drug he had created in 1938 as part of his research into the medicinal values of lysergic acid compounds.

Honourable mentions: **Sheep Thrills** for his on "On this Day" as tomorrow, 17 April, being Hitler's birthday and donning an appropriate Hash shirt to commemorate the event. **ROO-Ted** for doing his best to expose the RA's corrupt system of governorship resulting in in **Roo** benefiting in a little graft and corruption of his own.

WOW: Wimpy was pulled up as a nominee for being a dobbling whinger, **Boof** was nominated for some shit the RA wasn't really interested in, **Disgraceful** nominated for being an uncaring Haberdash. **Ampol** was pulled in for ongoing further acts of infamy by **Wimpy**, **Tampax** and **Concorde** for not staying with fellow Hamersley biker **Pumpkin**. **Rasputin** or is it Raspewtin, I don't know, brought up by the RA for being a general cheeky cunt an trying to be **Cookie**. **Voodoo** was drafted by the RA as an a-jew-dee-kator. After much debate and deliberation and a bit of bribery and corruption **Ampol** emerged as this week's wanker.

H4 Honors: Tonight we Congratulate: None

Jokes: none

Run Report: **Donka** Good run lots of false trails, good use of the bush. Great views. 9.5/10.

Ice: Kazi, Mullet, Wimpy, Rasputin, Mother.

Next Week's Run: Bullsbrook Anzac Run Garvey Park Redcliffe

Next week's Bus driver: Sgt Bilko.

Hash Lunch: Best Lunch of the year

Hares Act: **C Man** spent some time thinking. He got pulled over by a cop. He asked if I had a police record. Apparently 'Roxanne' was not the answer he wanted to hear.

During sex, husband suddenly stops and remains motionless. He then starts again and after some time stops to remain motionless once again. this goes on for some time. Wife: What the hell are you doing? Husband: I have seen this new technique on an internet porn site....

Wife: Asshole.....

It's not a technique..., the video was buffering ya fuckwit.

Song: Rasputin

H4 Hashhouse: Chilli cray tails.
