Run Report 2060: Kazi @ Pinnaroo Point.

Preamble: A threatening afternoon, nicely cleared by run time. We have 37 H4 men & 3 visitors tonight, one might be a wannabe member. The GM calls **Kazi** to the crate for directions. Runners fcuk off that way. Walkers fcuk off that way. There is a drink stop.

The Run: We headed off across Whitfords Ave right into Flinders Ave down to the lake there where we looked for trail, **Disgraceful** aided by **Tagg** sent some of us the wrong way. While **Baron & Scrotus** went the correct way down Flinders to Cook where we caught onto the trail. We then meandered around Whitfords, crossing Whitfords Ave to Castlecrag Dr. Then West into Killarny Heights back to the drink stop. After the song, we went onto the beach paths on home.

Circle Up & Visitors/Retuniks: **Fartin Sphincter, Blank, Zipper lip** (with ice in hand), **Squirt, DAGS, Dick Van.**

General Business: **Coops** bad news **Cookie** is not going to Fiji, the good news now there is a spare bed. The bad news it has already gone. If you want a Fiji muscle or Polo shirt see **Coops. Halfway** the act is in progress, rehearsals are underway. **Bravefart** will be handing out shirts to the men going to Fiji to take. **DAGS & Screwdriver** are going Business class, so they can take the biggest bundles. I think **Screwdriver** is going business class to fit his swollen nose on the plane, after having a close look at the ground tonight.

Scraper is looking for hares for the 28 May & the 5th June Palace run.

The Hamersley 40th celebrations will be on the 2nd November for members Visitors & partners, the 5th November will be a men's run only.

Charges: **Wimpy** charged **Fartin** for not removing his hat @ the drink stop for the song. Ice for **Wimpy, Fartin, & Blank.** An Accolade to **Kazi** for **Screwdriver** falling over on the run. **Zipper lip** provided some mullet to give away. One **Mullet** on ice all mullets on ice. **Concorde** charged **Popeye**, apparently one of his birds crapped on **Roo Ted's** car. The GM charged **Captain Hook** for hanging around the toilets @ Yagan Square before the footy.

WOW:

Word: Pitchkettled – puzzled.

On this day

1945 – Adolf Hitler commits suicide.

1948 -The Land Rover, a British-made all-terrain vehicle that will earn a reputation for its use in exotic locales, debuts at an auto show in Amsterdam on April 30, 1948.

WOW

The nominees are, **D.A.G.S.** for not removing his 35 year hat during a Hamersley song, **Tagg**, for leading the pack astray taking some of us off trail, **Dickvan**, for trying to nominate a potential new member **Blank** for the wankers shirt and **Zipper** for apparently playing with his dick during circle.

Dickvan was the popular choice.

H4 Honors: Tonight we Congratulate: C Man celebrates 10 glorious years with Hamersley. **Dingo** thanks him with bringing life to Hamersley. **MauSei** says he is a good bloke.

Jokes: Mase; A bloke was out at the local pub with his wife, when she decided to go to the toilet, a few minutes later she come steaming back, very angry. She tells him this man said to her that he would like to rip her pants off, turn her upside down and fill her snatch with wheatbix then eat them. He has started to get up, then, sat down again. She cried aren't you going to do something? He says love if he can eat that many wheatbix he too big for me.
