## Run Report 2061: Barralina & Wimpy @ Henley Brook

**Preamble:** 39 brave men of Hamersley ventured to Barralina's workshop for the darkest run of the year. The GM called the hare to the crate for the run directions, out the gate & turn left, there is a drink stop.

**The Run:** We headed out to Ampol's place, no drink stop there! Onto a bridle path into the dark (I hope you had a torch) we followed four & paper. Along the way a group of us missed a turn off onto another trail, we ended up on Sampson Ct, found trail again on Lawson & ended up On Home. The bright ones found the right trail & got to the drink stops.

**Circle Up & Visitors/Retuniks:** Mr Potato Head, Sheep Thrills, Cow Cunt, & Cookie.

**General Business:** Roo Ted out first he has lost his hat. Has anyone seen it? Halfway, there is an Interhash act meeting/rehearsal at Popeye's Tuesday night. Coops has the offshore run shirts, & will be giving them to those going for transporting to Fiji. Cookie won't be going to Fiji due to work, his accommodation is available maybe? Bravefart is reminding all H4 men going to Fiji that all hands are required to help at the Off Shore run. Screwdriver, the Palace run will be at Franklins Tavern Albany highway Victoria Park on the 5<sup>th</sup> June start 6:30.

**Charges:** Cookie charged Barralina for only making \$3.80/hour restoring Triumph motor bikes. The GM iced Cookie, who trump carded Boof who bribed the GM successfully. Baron charged Arseholeo for leaving his dog at home, but still feeding Mothers dog Dougal. Wimpy charged Cookie for taking the keys from the car at the drink stop, Cookie has priors for this. Concord defended Cookie, the Gm reversed Wimpy on ice. The RA pinged Pumpkin for ice but he refuse to relieve Wimpy.

**WOW:** The Ra has a new card the bright pink Softcock card, which he gave to Pumpkin for refusing the ice earlier. Cookie took it on himself to throw the pink penis drinking vessel & damage it. He was made to drink out of it anyway.

Word: Swerked: Become troubled. Gloomy.

On this day:

1915: Lusitania sunk by a German U-boat, killing 1,198 people including 128 Americans. This was the start of a tipping point that would bring the U.S. into the 1st World War.

1945: German high command signs the unconditional surrender of German forces at Reims, North West France.

**WOW:**

Of the two nominees **Popeye** and **Cookie**, by popular choice and leading the pack astray, **Popeye** earns the shirt.

**H4 Honors: Tonight we Congratulate:** none tonight.

**Jokes: Barralina** A priest was praying in his church when the local river flooded, some men came to get the priest out, he refused, said God would provide. The water rose 600mm more rescuers came to get the priest, God will provide. The water was up to his neck, some local farmers rowed in on a boat, come on Father we'll save you, No go and save some others the Good Lord will provide. The priest drowned, when he got to heaven he asked God why he didn't save him. Give me a break said God I sent 3 boats.

**Elf** Chimed in with a joke about Triumphs.

**Run Report: Popeye** a good run past **Ampol's** 8.5/10.

**Ice: Wimpy, Cookie, & Concord** x 2

**Next Week's Run: Morphine's** shotgun run. Gnangara

**Next week's Bus driver: Spud.**

**Hash Lunch:** 9 came to lunch, it was a great feed, and a good time had by those who got there to celebrate **Disgraceful's** birthday.

**Hares Act:** some stories, A tart goes and picks up the ashes of her deceased husband, takes him to a park and sits on a bench. Do you like the new dress I'm wearing? I bought it with my inheritance, do you like my new rings? I bought it with my inheritance. Do you like my new Mercedes? I bought it with my inheritance. Then she blew the ashes away, and there is the blow job I've been promising for years.

**Song:** Spud

**H4 Hashhouse:** Burgers
