## Run Report 2062: Morphine @ Landsdale.

**Preamble:** A good crowd for the Farmers Shotgun run by Morphine. The main question I heard was, is there going to be gravel in tonight's dinner? Morphine mounted the crate, and gave us the details, out the drive and off to the left.

**The Run:** Out onto Gngangara Rd to the West, Found the first falsie. Then right into Callaway St. Left into Inspiration Drv, a falsie on Creative St. Down to the check at Conquest Wy, Spud & I checked the wrong way of course. Back up Conquest Wy to Distinction Rd. The runners headed into a vacant block to the recycling facility, and worked their way home. The walkers carried on back to Callaway St, Right into Inspiration Drv. Right onto Prestige Parade & on Home.

**Circle Up & Visitors/Retuniks:** Sgt Bilko, Pole Polisher, Gasman, Biggles, MTM, Swallow, & Andy a visitor.  
**Fartin Sphincter**

**General Business:** Bravefart has a list of requirements for Interhash, they are going to make a punch at the offshore run & need 6 bottles of vodka, we need 6 volunteers to buy & transport them to Fiji. Tagg offered to pay for the 7<sup>th</sup> one.

**Halfway** The act sound track has been recorded. The last practise is at **Popeye's** on Saturday morning.

**Tropo** needs a stand in Historian while he is in Fiji, **Tagg** volunteered.

**Mel Adjusted** the Perth Harriett's have announced their 40<sup>th</sup> year bash. Flyers have been sent out, the date is the 15<sup>th</sup> July.

**C Man** needs a stand in while he is away, Cookie was nominated but refused as the level of cash was too low for his image.

**Charges:** Barralina charged **Cookie** of not allowing the plebs to buy a Ford GTHO, drink to both. **Boof** charged **Cookie** for being a tightarse, not using any bait. **Swallow** charged **Tropo** for getting **Aunty Jack's** run count in the annual wrong. The GM **Scrotus Maximus** took offence at the suggestion the annual was wrong, ice for **Swallow**. **Cookie** charged **Cow Cunt** for not being able to find trail. Reversed.

**WOW:**

Word: Drassock: A drab, untidy woman.

On this day:

1936 Bobby Darin is born. Famous for his ability to move from rock and roll to finger snapping Vegas headliner and back. Notable hit is Mack the Knife from 1959, which held number 1 spot for nine weeks.

1973 Skylab, America's first space station is launched, eleven days later, Charles Conrad, Joseph Kerwin and Paul Weitz boarded Skylab and their first job was to repair a jammed solar panel so Skylab could function.

## WOW

OK it gets a bit hazy here. **Popeye** trots out and instantly the circle demands a carryover. **Cookie** is nominated for not wearing hash gear on the run but however casts doubt in the charge. **Kazi** is dragged out for impersonating **Popeye**, the current wanker, **Baron** is nominated for mocking the disabled by doing a "**Captain Hook**". **Braveheart** was nominated but I can't remember what for and there may be another nomination there as well.

**Captain Hook** was nominated (Ed. note)

The events as I recall had **Kazi** awarded the "historical" wankers shirt that will forever be revered as a holy artefact and **Popeye** awarded a carryover taking a clean shirt overseas to Fiji.

**H4 Honors: Tonight we Congratulate:** None

**Jokes:** Quite a few one liners

**Run Report: Boof** from the ice, It was an alright run 9/10.

**Ice: Boof** trump card to **Fartin Sphincter**, **Concorde** trump card to **Boof, Barralina, Cookie, Swallow x2, Rads**

**Next Week's Run: Hippo** at Morris Buzacott Reserve off Williamson Rd Kardinya. Food will be on.

**Next week's Bus driver: Arseholeo**

**Hash Lunch:** 1st of June. Watch this space.

**Hares Act: Morphine** induced some musicians to play for us. It was **Halfway** & the Andy singers.

**Song: Biggles**

**H4 Hashhouse:** Sausages & Beans.
