Run Report 2069: MauSie & Troppo @ Warwick.

Preamble: A very wet day. I pity the hares trying to set a run in this wether. The RA had better be talking to God about the weather. **MauSie** counted 37 hashers here tonight. A very good turnout considering the rain. The van is parked as close to shelter as is possible.

The Run: We started at Hawker Park, headed to Warwick Rd, left across the Mitchell Freeway, into a path to Kelvin Rd. Around a park of Campion up Scaddan St, where **Rads** & I lost trail for a bit. We found trail near Warwick train station. Across the station when the heavens opened up. A group of us including the GM found shelter, during a break in the rain we headed for home. Only to have it open up again, the joys of hashing. We made it home to find the runners got in first to have first go at the hot chips & nibbles for a change.

Circle Up & Visitors/Retuniks: **Cookie, MauSie, Boof, Donka, Mulloway, & Putrid.**

General Business: **Bravefart** picked up **Cookie's** goodie bag at Fiji, and handed it over. **Screwdriver** announced the Perth Harriettes car rally is starting @ 8.30am.

An Ex SOP GM **Ned Kelly** has passed away after a short illness. The City to Park is on this year after some Kalgoorlie, & Bunbury Hashers turned up this year. Volunteers are required please.

Charges: **Mullet** charged **Shit Scraper** with leaving his H4 hat at Suctions house after escorting her home. **Shit Scraper** argued that **Mullet** stole his hat earlier in the night. Drink to both. **Cookie** charged **Putrid** with trying to usurp the RA's job with the weather, **Concord** was included. Drink to Both. **Barralina** charged **Captain Hook** with getting lost. Reversed. **Screwdriver** charged **Tagg** for wearing a headlight when he didn't need it. Drinks to the charged.

Word: Arrow Loop: Narrow vertical slit cut into wall to enable archers to fire arrows at the enemy.

On This Day:

1900 - Count Ferdinand Graf von Zeppelin successfully demonstrated the first rigid airship over Lake Constance in Germany.

1937 - Emilia Earhart, (along with her navigator) while attempting an around the world by plane disappears near Howland Island. A number of conspiracies arise, including one that her plane, herself and navigator were secretly recovered by the Japanese navy.

WOW:

Wimpy for the same old reasons, **Disgraceful** for calling us all, (including the GM) wankers and **Roo** for being an ungrateful wanker when **Barrelina** gave him a Golden Trump card to nominate **Barralina** to take his place! Talk about biting the hand that feeds. Further to this, the sneaky prick plays on his age to gain advantage by sympathetic votes of the circle. Unfortunately for **Roo**, the RA has no heartstrings to pull and even when invited by the RA to buy his way out he refused. The RA vetoed the circle's popular choice of giving **Wimpy** the shirt and awarded it to **Roo** for his cunning act of old age and convincing acts of hoodwinking the circle that he is forgetful.

H4 Honors: Tonight we Congratulate: none tonight

Jokes: Barralina A young woman rings her mum from the police lockup. Mum asks how did you get there I thought you were going to Bunnings with your Dad? She replied I did Dad told to find a black & decker so I did, this is where I ended up.

Run Report: Concorde the trail was marked to close to the sprinklers, the trail was disappearing quickly. But a good run anyway 9/10.

Ice: Cookie, Putrid, Voo Doo, Wimpy Trump to **Voo Doo, Boof, Barralina** Trump to **Voo Doo, Kazi** Golden Trump to **Donka**.

Next Week's Run: **Baron** Jubilee Park Bassendean hopefully no rain!

Next week's Bus driver: **Cookie**
