## Run Report 2070: Baron & Squirt @ Jubilee Reserve Bassendean.

**Preamble:** A fine dry night opposite to the last time we were here. The GM has called in AWL. So **Mase** is the stand in GM for tonight. 36 H4 men & 4 visitors arrived to experience the trail marking skills of **Baron**. The co hare **Squirt** was nowhere to be seen, leaving **Baron** to do all the work. The instructions, it's flat, you're on chalk, there are some walkers deviations F\*%#k off that way. It is a run ending in a zero, so one free beer to all attending members.

**The Run:** We set off down Northmoor up the path to Robinson, left into Padbury, right into Burford. Right into Iolanthe St, left into a path right onto Ida St. Left into Walter Rd, left on Marion through a path onto Atkins right into Chedworth, left into Ivanhoe. Left onto Faulkner Way through to Walkington Way. Then on home around the park. Everybody was back inside 50 mins.

**Circle Up & Visitors/Retuniks:** **TJ, Slammer** from KBH3, **Putrid, Blowjob** from Freo, **Popeye & Arseholeo**

**General Business:** 20 years ago the rag showed **Popeye** putting a carton on for his birthday, and he did so again. **Cookie** bragging about being the bus driver. **Mullet** had some lost property from Fiji **Popeye**, reunited with his 40 year stubbie holder. **Coops** on Mother Hash, see **Wimpy** for accommodation. **Slammer** told us about the KBH3 weekend.

**Charges:** **Cookie** charge **Replicar** about the bus made to sit in the back. Reversed & iced. One South Aussie on ice all South Aussie's on ice **Slammer** joins **Cookie**.

**TJ** charged **Kazi** with telling his wife to much about hash she hates hash! **Blowjob** charged **Concorde** with giving him dodgy direction to the run tonight.

### WORD:

Word - Gamberson, a padded jacket worn under armour.

On this day:

445AD - Marcus Maecilius Flavius Eparchieus Avetus was made Emperor of Western Rome. As a general he brought his Gaulish armies to repel the Vandals and Visigoths from the empire other than that he isn't known for much.

1877 - First Wimbledon Tournament kicked off.

1941 - The Enigma key was broken.

WOW:

Our nominees were **Cookie** for various remarks about the van, the roster and the blokes that organise and look after the van, **Ampol** from the RA's vantage point he seemed to be hanging on to his dick longer than a piss should take to therefore he must have been having a wank, **Disgraceful** for allowing his grandson to rub out a check mark and **Replicar** nominated by **Cookie** for victimisation of the upper class.

By popular choice and the RA's blessing **Cookie** took home the shirt

**H4 Honors: Tonight we Congratulate:** none tonight

**Jokes: Barralina** There was a medical conference and one of the doctors was chatting up a doctor, every few minutes she would excuse herself & go & wash her hands. They went up to his room for some horizontal rumba. Afterward she went & washed her hands again. When she came back into the room he said you're a surgeon aren't you. She said yes what gave it away? He replied every time you do something you wash your hands. Shae said you're an anaesthetist aren't you? He said yes, she said I guessed when we had sex and I didn't feel a thing.

Also got Cookie to participate in a practical joke by pulling his arms into the wanker shirt and allowing himself to be dacked, so much for the smartest man in hash.

**Run Report:** TJ magnificent run 8.9/10

**Ice:** Popeye multiple times, **Cookie, Slammer, Wimpy.**

**Next Week's Run:** Concorde & Bravehart, a fill in run BYO food Woodvale

**Next week's Bus driver:**

When he woke up after surgery the doctor told him we used 2 pints from a black African, & 2 pints from a muslim man. The redneck was not happy! The doctor told him not to worry as his dick was 3 inches longer, & he was at the front of the housing queue.
