## Run Report 2071: Concord & Bravefart @ Woodvale.

**Preamble:** The clouds were threatening. We hoped the hare had managed to set trail. West Coast joined us for the run tonight. We were 38 H4, 1 visitor, & 8-10 WCH3. The hare was out resetting trail as it had rained just before.

**The Run:** There was plenty of trail. Well done **Concorde**.

**Circle Up & Visitors/Retuniks: Wombat** from Ballarat, The West Coast boys. **Squirt, Morphine, & Swallow.**  
**Baron** 1 of 14.

**General Business: Concorde** reported on the Perth Harriettes 40<sup>th</sup> car rally, the car rally was a shemozzle. The party was a good night. **Baron** 2 of 14. **Popeye** reported the vodka he was feeding the GM at Fiji was Fijian coconut vodka, not the good stuff he thought he had bought. He also reported that the GM is popular with the yanks, a hasher in Las Vegas told him the GM was great in Jogjakarta, Bali, but best in Fiji. **Shit Scrapper's** birthday he has put on 2 cartons. **Baron** 3 & 4 of 14

**Scrapper** is calling for hares **Popeye** will do the 6/08, still need someone for 20/08.

**Charges:** West Coast charged **Simple** with not making it to a party because off throwing up.

**Screwdriver** charged **Concorde** with not knowing Feng Shiue, the smoke from the fire was getting in his eyes, **Concorde** said **MauSei** set up the circle. **Cookie** charged **Concorde & Bravehart** for putting on sausages, he was going to bring steak. Reversed. **Kazi** charged our visitor **Wombat** for not knowing his name out on the run. **Wombat** was only named a week ago. **MauSei** charged **Halfway**. Reversed

**Baron** 5 of 14

**Word:** Odd Woman: A female arbitrator or for the more common, umpire.

On this Day

1945 - The atom bomb was successfully tested, concluding the Manhattan Project that was to build and atomic weapon before the Germans.

1935 - The first parking meter was installed on the corner of 1st Street and Robinson Ave in Oklahoma City.

**WOW:**

Nominees:

**Wombat**, a visitor for something the RA thought was trivial for a visitor that had come a long way to be with legends. **Concorde** for no faith in the RA and being an all-round whinging wanker, **MauSie** for a similar charge, **Kazi** was brought in by the others as another who doubted the RA's ability of using his relationship with the almighty and the power of Hamersley to holding off the rain even to the point of being worried about the flash's camera. **Kazi** at this point managed to buy himself out by his donation of a Kilkenny to the RA. **Wimpy** was also nominated as having no faith in the RA by carrying an umbrella but it was soon found that his only sin was to emulate the GM so he was let off. **Point** from West Coast was nominated by his own hash as a bit of a chucker. Where we were reminded that **Coops** was the master chucker and **Point** has just hit his learning curve. The RA brought **Coops** out to help find a wanker, it was at this point **Kazi** tried to palm **MauSie** a Kilkenny to give to the RA. The RA seeing this re-nominated **Kazi** for unsanctioned corruption tantamount to upstaging the RA.

**Coops** and the RA noted the circle singing a chorus about **Kazi** being a wanker and thought it fitting that someone who had no faith on the RA invoking the power of Hamersley, thinking that committee would spend good money for a softcock flash's camera that would fail if two raindrops hit it and trying to upstage and interfere with the RA's judicial system fits the bill to wear the coveted shirt.

**H4 Honors: Tonight we Congratulate: Baron** for 1400 runs. He finishes off his drinks with help from a few friends.

**Jokes: Barralina** had a practical joke on **Tagg**. Then **Tagg** had one on the GM.

**Run Report: Basil Brush** Sensational venue, the fire is hot, the piss cold. 8/10. **Boof** recommends next time do the run.

**Ice: Popeye** trumped to **Mullet**, trumped back to **Popeye**. **Tagg, Boof** trumped to **Popeye**, who Golden trumped back to **Boof**

**Next Week's Run: Sir Kumsie** Christmas in July theme, at Yokine Reserve

**Next week's Bus driver:** Dick Van

**Hash Lunch:** 15-20 turned up at the sundowner, a great afternoon had by all.

**Hares Act:** WCH3 sang Braveheart their song.

**Song:** Squirt

**H4 Hashhouse:** Gourmet fillet meat parcels in lamb intestine skins.
