RUN REPORT 2072: SIR KUMSIZE'S CIRCUMSIZED TRAIL

Preamble

Well fuck me it's pissin down rain again. Looks like a "live hare run" cummin up. I'm doin my best to entertain **SCRAPER** on the way to Hash especially when we sees sum ratbag tryin to hassle sum poor woman and her kids in a road rage incident and we thinks about stoppin to assist. We thort about it for a sec and decided we couldn't be late for hash. Some things take precedent. 41 Men of Hamersley braved the elements tonight.

The Run

Hare, **SIR KUMSIZE** looking resplendent in sum medievil regalia has recruited **CONCORD** and **BRAVEFART** to head out ahead of the pack to try and put down a few new arras 'cos of all the rain fucken up 'es trail. Now that reduces the runners numbers a tad. As the rain lightly precipitates ME, **POPEYE**, **COOKIE**, **BOOF**, **VOODOO**, **MORPHINE**, and a few others head south outa the the car park and into the busy streets of Yokine the walkers trailin behind with their girlie brollies etc. A cuppla early falsies and we're around the local primary school and up the hill as the rain increases in volume. But at least it aint cold.

A bit of a loop brings us to the arse end of Yokine Res. but then we scoot thru a vacant block and laneway and head for Flinders St. Cross over at Dog Swamp shops and do a big loop back to Flinders a bit further north. It's around here the injured and handicapped (me and 2) parted ways with the healthy runners and found their way home, missing the drink stop in the process. Allinall it turned out a good run despite the conditions.

Circle

Acting G.M., **MEL ADJUSTED**, mounts the crate and there is a hush among the assembled throng as some concern is shown about the fragility of the crate. However it holds up under the strain. For now!

Visitors/Returnicks

Elf (wanking), **Roo** (gout), **C-man** (went away and spent the cash he pinched from H4 funds)

General Business

SCREWIE advises passing of **EXTERMINATOR** (Freo Hasher) minits silense had.

SCRAPER advises taking further orders for red berets for the HIV run in Kalgoorlie next month.

MEL AD reminds us of upcoming special run events; ie. Rocky City 1400 and Friday H3 “close to you heart” run this year supporting mental health causes.

Charges

BOOF - After a preamble to his charge in language that cannot be repeated here, **AMPOL**, **ARSEHOLEO** & **HOOKY** are found guilty of being “girly brollie users” on the run. Reckon they wern’t alone tho.

DONKER – Some bullshit about tyin e’s shoelaces (which took ‘im half an hour and still ended with a granny knot) bein left behind and gettin lost after. Blames poor old **CONCORD**. Why?

Charge reversed as it should.

CONCORD – Charge or accolade ‘e says on the hare, aka, RA (reason for accolade?) cos the map the hare gave to help reset the run was waterlogged next to useless. The acting GM wisely decides this must be **KAZI**’s fault and punishment is fairly dealt.

COOKIE – Charges the hare again (not so wise), no idea what for, but the RA decides to park ‘es bum on the ice in a show of humility and expectation of more Kilkenny bribes later.

WOW

The RA takes to the crate rather unsteadily given he has consumed copius amounts of the fine Irish brew and more Kilkennys follow as bribery is taken to new hites.

Word of the week is “Weeple” It turns out to be somebody who whistles softly while they wank!

And at this time in history there were a lot of Wankers as there are nominations for same right now.

Resident Wanker **KAZI** nominates seven of our bretheren who he believes do not contribute to matters pertaining to Charges or Wanker nominations ever. So one must be one!

DONKA nominates **DIK VAN** for piss-poor directions given to get home from Drink Stop.

The RA in his infinite wisdom agrees **DIK VAN** is WOW!!!!

Jokes

C-Man and **Mase** entertain the lads with a cupple of amusing stories. Most Amusing Ha Ha Ha!

Run Report

BOOF reads from the hare’s pre-prepared report. Was it a good run? Well, at least he turned up!

Hare’s Act

The somewhat inebriated Hare **SIR KUMSIZE** brings us a Q&A session based on the local street names. Wordsworth, Shakespeare, Chaucer, Burns and Co. have a lot to answer for. And a number of beer tokens were handed to those who had the correct answers. **HALFWAY** was a quiz standout.
