Run Report 2074: Popeye @ Mathews netball centre.

Preamble: With 42 anxious men of Hamersley ready to run, **Popeye** gave us the run directions. There's no drink stop, you're on chalk & flour. Go that way.

The Run: The carpark at Matthew's netball centre carpark was pretty full as we left. The runners & walkers kept together pretty well as you would expect from a hare with Popeye's experience.

When we got back a mother (not ours) & daughter came over to suggest we were in their parking area. Then the centre manager came and spoke to Popeye, Popeye smoothed them over & it was all good.

Last Sunday it was **Coops & Dingo's** birthday, also **Tropo** next weekend, so a drink for the **birthday boys**.

Circle Up & Visitors/Retuniks: Harvey Wall Banger, Pole Polisher, C Man, Dingo, Cow Cnut, & Sheep Thrills.

General Business: Replicar says the van is missing a cooking pot, if you have it please return to the van. **Cap'n Hook** reminded us of craft on Tuesday. City to Park, **Coops** has volunteered to help cook. More helpers are needed to run the bar & collect money. **Precious** is running the route this year and wants some company. Tagg need someone to swap run dates with him on the 25th September. There are 7 or 8 of us going to Kalgoorlie this weekend for the KBH3 2000th run.

Charges: Bravefart charged Tagg for stopping Coops from running, Coops had a skin tag removed. The GM charged Popeye with being illiterate. Dags charged Cap'n Hook with lost property. A stubbie holder. Kazi charged Tropo with bumping the mirror on the next car as he parked.

R.A:

Word: Mumper: A person who begs or sponges off others that doesn't need too.

On this day:

1890 - First execution by electric chair at Auburn prison New York, the unlucky bastard was axe murderer, William Kemmler.

1945 - The B-29 bomber Enola Gay drops the world's first atomic bomb over the city of Hiroshima. 80,000 people were killed as a direct result of the blast and 60,000 would die by the end of the year from the effects of fallout. **Tagg** correctly pointed out the RA's direct mislead that it was the "Little Boy" and not the "Fat Man"

WOW:

Nominees:

Hooky nominated by the RA for being a cheeky cunt during the circle, **Popeye** nominated all those that had worn the shirt this year, **Precious** was nominated for exposing himself while having a piss. **Boof** said it would be a miracle if anyone saw **Precious's** dick so he got let off. **Hooky** narrowly missed serious contention and all the exwankers nominated **Popeye**.

A **carryover** was declared by the RA.

H4 Honors: Tonight we Congratulate: none tonight.

Jokes: **Bravefart** told us a good one but I missed writing it down cause I was laughing.

Run Report: **Pole Polisher**, we went over there, then down here, up that way. Fantastic run 8.75/10 for the run. And 1.25/10 for the food. (Which was excellent)

Ice: **Arseholeo** for clearing half of the circle with stench.

Next Week's Run: **Mother** in Leeming @ Beasley Reserve

Next week's Bus driver: **Sheep Thrills**

Hash Lunch: 11 turned up a good time was had by all.

Hares Act: it's all about the food

Song: Dags

H4 Hashhouse: Beef Berlagh.
