Run Report 2076 Ampol's Ambo run @Ellenbrook.

Preamble: The van is here & boy do I need a drink! Being a navigator for my driver is stressful. A smaller crew than normal. Must be the threat of rain! No faith in the RA. **Ampol** mounts the crate & sends us off, there is a drink stop.

The Run:

Circle Up & Visitors/Retuniks: Spud & Wimpy

General Business: **Cookie** was rambling on about **Captain Hook** & losing by 23 goals. GM not impressed ice for **Cookie**. **Mel Adjusted** Friday Hash is doing the Close To My Heart run on the 19th October see flyer. The revised club constitution is available. **Boof** comments on the low number of runners from H4 in the city to surf. **Precious** asks for runners to run with him in the City to Surf. Breakfast at the City to Park will be \$15. H4 40th will be on the 2nd November \$85 there will be a subsidy for financial members. The Kalgoorlie 2000th was a good weekend, **Scraper** still hasn't recovered.

Charges: **Halfway** Charged **Arseholeo** with bring his dog against standing orders & then feeding it. **Cookie** charged **Ampol** for driving without lights, **Ampol's** defence he was trying to run **Cookie** over. Carried cause he missed. **C Man** charged **Ampol** with hitting **Boof** on a walkway. Reversed.

R/A:

Word: Gibber meaning a stone or bolder.

On this day:

1911: The first round the world telegram. Sent from New York and relayed 16 times to arrive back in New York 16 minutes 35 seconds later.

1940: Leon Trotsky, a Russian revolutionary was killed by an ice axe wielding **AssAssin**, in Mexico.

WOW: Protected by the RA, Popeye was exempt as a carryover. **Popeye** decided to dob in his mate **Cookie** for stuffing up a bid at a prestigious car auction, something about buying an expensive go-cart. **Captain Hook** was dobbed in by his mates at his reference to the RA as being a cunt as well as not facing the truth about the Dorkers Football team. **Arseholeo** was nominated for feeding his dog nibbles from the table and chucking the dummy (again) when nominated. Each nominee at this point had an equal chance of wearing the coveted shirt until the RA made mention of **Ampol's** earlier charge of attempting to run over **Cookie**. Exclaiming surprise that **Ampol** could miss such a target where the circle was in an uproar of the missed opportunity.

It was by overwhelming popular demand the **Ampol** should be our wanker of the week!

H4 Honors: Tonight we Congratulate: None tonight

Jokes: **Barralina** told us one about the priest and the church receptionist.

Popeye's Girlfriend said to him look I still fit into this I've had it for years. He replied. It's a scarf you idiot.

Run Report: **Baron**, down & around, probably set on a bike not set for wet weather

Ice: **Bravefart x 3, Troppo x 2, Tampax, Gasman x 2, Halfway, Cookie** used his gold card to swap with **Boof**

Next Week's Run: **Boof** theme sports heroes

Next week's Bus driver: **Mel Adjusted OR Gasman**

Hash Lunch: Still being organised.

Hares Act: No act but **Kazi** collapsed & an Ambulance was called, **Kazi** is now home and doing well

Song: **Cookie, Wimpy & Popeye**

H4 Hashhouse: Curry
