[Run Report 2077: Boof @ Millington Reserve.](#)

**Preamble:** A bit wet in the South when we left. Fine weather at the run. Well done RA. The GM called Boof for the run directions, you're on chalk & flour, there is not a drink stop, there is a walkers trail, follow the runners trail. F\*^\$k of that way.

**The Run:** A familiar run site plenty of good runs from here. This is what most of the walkers did.

### Circle Up & Visitors/Retuniks:

Morphine, Mulloway, Concorde, & Pumpkin.

**General Business:** Replicar, We need a bus driver for next week. XYZ volunteered to be a reserve if no one else sticks their hand up.

**Coops** Interhash is all done & dusted. There is a mob going to KL for Mother Hash's 80<sup>th</sup>. The Hamersley 40<sup>th</sup> anniversary shirt is organised, the mob going to KL will bring them back. They are free of charge to Hamersley members. We are still looking for a volunteer to drive the PJ Animals around in the first

week of November. **Scraper** is looking for hares for the 10<sup>th</sup> & 25<sup>th</sup> Sept, as the nominated hares are away.

**C Man:** start paying for the 40<sup>th</sup> regos, Forms attached. **Wimpy** reminded us about the H4 golf day 14<sup>th</sup> Oct. The City to Park had a great turn out of volunteers. A bit light on visitors, 4 from Hamersley, **Bravefart, Boof, Precious, Phar Lap, Ash,** & 4 from Kalgoorlie. **Precious came sixth in his age group.**

**Charges:** **C Man** charged **Popeye** for sending porn on messenger Sunday morning instead of helping at breakfast. **Baron** charged **Precious, Baron** took his bag while **Precious** was running. **Beecroft Park**, when they got back the glasses had been run over, **Baron** was parked in front of the van. **Cookie** charged **Gasman** for no Kilkenny beer, the Ra is a boring C@nt when sober. Reversed, **Gasman** was just the driver.

**Boof** charged **Cookie** with not helping set the run, something about a sore foot (He's not the "smartest man" at Hamersley for nothing). Reversed.

**RA:**

**Word:** To quote a past RA, Gumirri in Aboriginal it means vagina as in c\*\*t. This word was brought to you by **C-man**.

**On this Day:**

1883 - Krakatau explodes throwing ash and debris 50 miles into the atmosphere, the explosion heard 3000 miles away, it created 120 foot tsunamis and killed 36000 people.

1955 - Guinness book of records is first published. The inspiration of the record book is attributed to Sir Hugh Beaver, managing director of the Guinness Brewery after not being able to find out what fastest game bird in Europe was. The book is now known as Guinness World Records.

1979 - Lord Louis Mountbatten is killed when the IRA detonate a 50 pound bomb hidden on his fishing boat.

**WOW:**

Nominees:

**Ampol** nominated **Cookie** for promising never to have sausages on his run, technically he was the co-hare and should have advised **Boof** not to put on sausages. **Cookie** was "unavailable" so the RA called for a proxy, the circle thought it fitting that **Wimpy** stand in because **Wimpy** is **Cookies** best mate.

There had been a lot of talk about the van not restocked with the RA's favourite brew. This created havoc from the RA unable to reach the peak of his humour to the bribery system being completely shut down. The RA nominated **Replicar** for not doing a van reccy after the City to Park, **Replicar** pointed the finger at **Coops** who as the van driver should have let **Replicar** know there was a serious lack of Kilkenny. **Coops** rightly pointed out the piss pourer on the day should have informed **Replicar** of the shortage. As **Disgraceful** was absent a proxy was called for, since **Captain Hook** is in **Disgraceful's** car pool, he was trotted out. The RA was delighted at this development accusing **Cap't Hook** of continually giving him cheek, constantly referring to the RA as a cunt, being a Dorkers supporter that doesn't know where Willagee is, and instead of **Ampol** having a carry over, the shirt can stay in the family a bit longer.

Before the circle knew what was happening **Captain Hook** was declared this week's wanker

**H4 Honors: Tonight we Congratulate:** no one

**Jokes:** **Barralina** had some racing snails, he thought he would remove their shells so they would go faster. They became slugs.

**Run Report:** **Morphine** it was chaos, we went uphill, downhill, uphill, downhill, then nothing. He started the scoring at 1.5/10, then with the GM's encouragement the score rose to 4/10. The OnSec thinks it should have been at least a 7/10.

**Ice:** **Morphine & Rads.**

**Next Week's Run:** **Rads** in Willagee @ Webber Reserve.

**Next week's Bus driver:** Looking for a volunteer or **XYZ**

**Hash Lunch:** 7th September 2018

NORTH BRIDGE CHINESE RESTAURANT - DIM SUM

26 ROE STREET, North Bridge - PH: 9328-9288

BYO BEER & WINE

**Hares Act:** **Boof & Cookie** told some jokes
