## Run Report 2078: Rads @ Willagee.

**Preamble:** I'm not sure if we have run from here before. **Rads** has a reputation of setting a good run, so we should be right. 30 odd hashers are here to test the trail. The GM **Scrotus Maximus** calls Rads up for the run directions. You're on chalk & flour f\*^k off that way.

**The Run:** A clock wise run, I wonder if anyone has checked how many clockwise & anti clockwise?

**Circle Up & Visitors/Retuniks:** MauSei, Squirt, Kazi, and Pole Polisher.

**General Business:** A former hasher **Curly** has passed away during the week. Also **Biggles Mum** has also passed, a minutes silence for them.

The OnSec has copies of the H4 40<sup>th</sup> flyer if you need one. Friday hash is running the Close to My Heart run on the 19<sup>th</sup> October,

\$15. The charities are men's mental health. **Scraper** was chasing a hare for next week as Aunty Jack can't do it. Well done **Bravefart & Tropo** for stepping up. **Mel Adjusted** will drive the bus. The annual H4 golf day is on the 14<sup>th</sup> October. Get your money to **Sgt Bilko** if you're playing.

**Nash Hash 2019** in Port Douglas 3<sup>rd</sup> – 5<sup>th</sup> May 2019. <http://crochash.com/>

**Charges:** **Wimpy** charged **Captain Hook** with hitting a kerb on the way here, nearly killing him. **MauSei** charged **Elf** with usurping his seat in the carpool. After being away for several weeks, reversed. **Coops** brought out **Kazi's** survival kit, jumper cables & a first Aid kit.

**Sheep Thrills** charged the OnSec about the new constitution, reversed. The GM charged **Halfway** with insurrection claiming the OnSec is going to oust the GM. **Boof** charged **Kazi**, his wife Sharon hated Hash until **Boof** rung her to tell her about **Kazi's** near brush with the reaper. Now she thinks we're all good blokes.

**Word:** Faffle: To blow sudden gusts.

One this day:

1777 - The American flag was flown in battle for the first time on this day in 1777, during a Revolutionary War skirmish at Cooch's Bridge, Delaware. Patriot General William Maxwell ordered the "Stars and Stripes" banner raised as a detachment of his infantry and cavalry met an advance guard of British and Hessian troops.

1935 - A new land-speed record is set by Britain's famed speed demon, Sir Malcolm Campbell. On the Bonneville Salt Flats of Utah, Campbell and his 2,500-hp motor car Bluebird made two runs over a one-mile course at speeds averaging 301.129 mph. In breaking the 300-mph barrier, he surpassed the world record of 276.82 mph that he had set earlier in the year.

1939 - In response to Hitler's invasion of Poland, Britain and France, both allies of the overrun nation declare war on Germany.

1950 - A U.S. Military Assistance Advisory Group (MAAG) of 35 men arrives in Saigon to screen French requests for American military aid, assist in the training of South Vietnamese troops, and advise on strategy. Ultimately, the French would be defeated at the battle of Dien Bien Phu and withdraw from Vietnam, passing the torch to the United States. In 1964, MAAG Vietnam would be disbanded and its advisory mission and functions integrated into the U.S. Military Assistance Command Vietnam (MACV), which had been established in February 1962. These actions would lead to one of the most televised and controversial conflicts of the 20th Century.

#### **WOW:**

Nominees:

**Captain Hook** although nominated as a carryover was not successful, **Kazi** was nominated for upstaging everybody and nearly dying during last week's circle, also some of his mates wanted him to wear the shirt to his check-up the next day. **Tampax** was nominated as a carless ped-o-file, not storing his bike correctly, when it fell over, it nearly maimed **Halfway**.

At this stage voting was tight between **Tampax** and **Kazi** when **Halfway** made the RA aware of another wanker nominee. Standing at the end of the wankers nominee line was **Tagg**. The RA by popular vote awarded **Tagg** the shirt citing "if you want to being a wanker, wear the shirt and become a genuine one".

**H4 Honors: Tonight we Congratulate:** None

**Jokes:** **Mullet** sorry Mullet I didn't get enough down to write it up.

**Run Report:** **Squirt** it was a good tour of Willagee 9/10. though some got lost apparently.

**Ice:** **Wimpy, Bravefart, Panels**, who trump carded to **Mulloway**.

**Next Week's Run:** **Bravefart & Troppo** @ Penistone Park

**Next week's Bus driver:** **Mel Adjusted**
