Run Report 2082: Captain Hook @ Ballajura.

Preamble: We all thought **Ampol** was helping **Hooky**, but we were wrong the run is all **Hooky's** work. A good crowd, my counter **MauSie** must have taken the night off, so I don't know how many we had. I had a text that **Wimpy** was injured & couldn't make it, at 4.59pm while telling the GM, **Disgraceful** showed us a text from **Wimpy** at 5.09pm asking if he was driving to the run. **Disgraceful** reckoned **Wimpy** was looking for a lift. The GM called **Captain Hook** for the run instructions, and we're off that way. Notably absent tonight are all the Collingwood supporters.

The Run: The run was well marked around the lakes of Ballajura.

Circle Up & Visitors/Retuniks: **Popeye, Bravefart, Donka, Elf, HardCase, Rooted, Stir, & Mulloway.**

General Business: **Roo Ted** has been to Poland & brought back some Polish tea for the GM. **Mulloway** has found some golf clubs, if anyone wants them for the H4 golf day. I saw **Tagg** jump on them quickly. **Coops** had a souvenir shirt from Mother Hash. **Baron** had souvenir socks from Mother Hash, both for the GM. There are only 17 player registered for the H4 golf day. **Sgt Bilko** would like 20. CRAFT this week was @ Optus Stadium, where the Eagles beat Collingwood in the preliminary final. **Mullet** said **HWB** is home now but still crook. A sports report by **Popeye** to be continued next week.

Charges: The GM & I were surprised no charges this week.

Word: Nickpot - A fraudulent Innkeeper.

On this day:

1908 - Henry Ford introduced the Model T automobile you could buy it back then for \$825 US.

1924 - The first flight around the world was completed. Four teams of pilots from the United States Army Air Service set out from Seattle in four Douglas World Cruiser planes. Only 2 planes completed the 27,500 mile trip done in 175 days.

1946 - 12 High ranking Nazi officers are sentenced to death by the International War Crimes Tribunal in Nuremberg. Hermann Goering decided not to wait until October 16 for his new necktie and committed suicide leaving the the rest of his mates to swing in the breeze.

1975 - Mohammad Ali defeats Joe Frazier, in the "Thrilla in Manila"

WOW: In a rare night the RA was not responding to bribes of Kilkenny! He was the designated bus driver tonight.

Precious our current wanker was called up. **Bravefart** was let off the ice if he nominated a wanker, he nominated **Popeye** for being an insufferable Eagles winner/wanker. **Disgraceful** was nominated for something trivial. When **Precious** was asked for a nomination, he nominated **Roo-Ted**. Well he came out talking up a storm about wanting to put up a defence and how he was being discriminated and on it went. Even after the RA cautioned him twice to shut his gob. This went south for **Roo-Ted** when the RA quietly dismissed the other nominees and had **Roo-Ted** stand beside him. **Roo-Ted** couldn't help himself, going off like a frog in a sock, trying to get **Precious** a carry over. For not heading the RA's warnings, and by support of the circle, **Roo-Ted** was awarded the shirt. It was soon discovered that **Precious** was wearing a Harriett's skivvy and calls were made that **Precious** pay a price for the shirt not entirely on the skin. The RA's deliberation was that **Precious** take his down down on ice and the shirt would still move to **Roo-Ted** almost frothing at the moth and narrowly missing a dummy spit award.

H4 Honors: Tonight we Congratulate: none tonight.

Jokes: **Mulloway** told us a little Johnny joke. That I can't remember.

Run Report: **Pole Polisher** it was a good run 7/10

Ice: **Stir, Troppo, Bravefart trumped to Voodoo, Mr Potatohead, Bravefart, and Precious.**

Next Week's Run: **Sheepthrills** in Leeming

Next week's Bus driver: **Squirt** has to pull out for work so we need a volunteer
