Run Report 2084: Stir & MauSei @ Neerabup.

Preamble: The forecast is for 6 C tonight. I think the fire will be welcome. 42 H4 + 3 visitors tonight. Were they introduced to the GM before the run? **Dingo** 1 of 11. The GM mounts the prepared stage & calls **Stir** for run directions. There are a lot of chairs tonight? Are we becoming Harriettes?

The Run: 2 runs one for the walkers, one for the runners, plenty of trail, some shaggy & sand. I'm sure I saw **Roo** bounding down the fence line near the 5Km mark.

Circle Up & Visitors/Retuniks: Halfway, Kazi, Dags, visitors Popeye, Tiny, & Luke.

General Business: **Dingo** 2 /11

Friday Hash Close to Your Heart run, Friday 19th Oct. We will vote on the new constitution next Monday. **Coops** has your 40th shirts please see him. **Sgt Bilko** reported on the H4 Open. **Wimpy's** Wanderers came last. **Mel Adjusted** Malingerers managed a win. **Dingo** 3/11.

Charges: **Cookie** charged **Wimpy** with renegeing on a bet over the AFL GF. **Wimpy** paid up. **Mel Adjusted** charged **Cookie** over losing a battery light, **Cookie** rigorously defended himself, **Replicar** called to verify the charge changed his tune. Reversed for feeding the OnSec bullshit. The GM charged **Mullett** for not giving him a lift up the driveway. Boof charged **Stir** with the type of H4's used to mark the trail. **Mel Adjusted** charged **Mr Potatohead** with dereliction of duty, he couldn't talk his son into coming to hash when his son works across the road. **Dingo** 4 & 5/11

Word: Fripper -One who deals in Frippery (old clothes). At a joint run when the RA was stand in for a Bully run, he used the word

"frippery" which our man **Barrelina** correctly identified as old clothes. It was a certain thing that **Barrelina** correctly guessed what a fripper was, the rest of you just didn't pay attention.

Dingo 6 & 7/11.

On this day:

1592 - The Gregorian Calendar was adopted by the high European countries and the preceding 10 days were lost to history.

1917 - Mata Hari (not what **Coops** thought was Karma Sutra) was executed in Paris, France for being a spy for the Germans.

1951 - I Love Lucy, starring Lucille Ball first aired, the show is still in syndication around the world.

2003 - China becomes the 3rd country to launch a spacecraft. It was called the Shenzou 5, as **Troppo** pointed out, what happened to Shenzou 1 to 4?

For the Aussies: 1952 - the first atomic bomb tests by the British on Australian soil at Montebello Islands, (just north east of Barrow Island), code named Operation Hurricane.

Dingo 8 & 9/11.

WOW: Things got started by **D.A.G.S.** coming out and giving an award to **Scraper** for being a cheap bastard not buying a \$3.00 present, This was followed up by **Kazi** being a dead casual wanker using two chairs to make himself a banana lounge to relax missing the gems of the RA's education. **Sheep Thrills** got done by a GM dob in of using his phone on the run. **Donka** was called up because of his unethical golf day antics which he cited **Wimpy** as a co-conspirator.

The RA threw it open to the circle and it came down to **Donka** and **Sheep Thrills**. The RA called **Kazi** to adjudicate the tie breaker and it was decided that **Donka** deserved the shirt.

H4 Honors: Tonight we Congratulate: Dingo has made it to 1100 Runs, the old dog.

Many members came out with some old stories of **Dingos** antics through the years.

Jokes: Barralina why don't blind people skydive? It scares the guide dog.

Dingo not to be out done, How does a blind person know when they about to touch the ground? The lead goes slack.

Run Report: Cookie into the quarry with a steep drop on one side, then **Coops** had a crap. A big loop around some bush. 7/10, the food was crap reduced to 3/10.

Ice: Disgraceful, Stir, Tampax, Donka, Mr P, who trumped to **Sgt Bilko**, who Golden Trumped back to **Mr P**. **Troppo** trumped to **Cookie**, who promptly trumped to **Wimpy. Troppo** who trumped to **Popeye**, who bribed his way of with a Kilkenny.

Next Week's Run: Halfway and the Awesome Foursome, Richard Guelfi Res, Balcatta @ 6.15

Next week's Bus driver: Scraper

Hash Lunch: Not this Month

Hares Act: Dingo, Halfway, & Stir sang a song

Song: DAGS

H4 Hashhouse: Snags
