Run Report 2087: Coops & Mel Adjusted @ Kings Meadow.

Preamble: Coops & I did a quick check of the trail after the bit of rain on Sunday night, so the trail is good. 47 MOH & visitors arrived for the 40th celebration run. There is a bitterly cold wind coming off the Swan River. Where is the RA to control the weather, on Bali where it is warm of course. The GM climbed on a rock with fear in his eyes, something about Fiji and falling he muttered. Coops gave the instructions about water, snakes & frogs, f*^k off that way pointing at the river.

The Run: The run meandered along the river over water into shiggy (I'm still getting grass seeds out of my shoes) to the drink stop No 1. Then into more shiggy & bitumen to drink stop 2 in Stirling Square, then home.

Circle Up & Visitors/Retuniks: Shrek, Pole Polisher, Toad, TJ, Paprika Smiling, Meatman, Skippy, Blowjob, & Berthless Boatie.

General Business: C Man get your subs in by the AGPU if you want your 6 tokens. Bank Details BSB 036-080 Acct 440659, put you hash name as subject. Concorde an accolade to the committee for last Fridays party, compliments from all who attended. The AGPU is next Monday 12th November formal attire is required. Screwdriver has given me a summary of alcohol abuse from Friday night.

Wimpy has an award for **Mase** he won the second best dancer on Friday, beaten only by Heather (Mrs Mase).

Charges: **Stir** charged **Mr Potatohead** with using MapMyWalk App. Baffling **Stir** with technology. **Wimpy** charged **Stir** with coaching his wife to not take **Wimpy** home after the party. **Wimpy** had to stay in a hotel. Reversed by the GM. **Screwdriver** charged **Halfway & Shrek** with dropping ice of the balcony near his glasses. **Halfway's** defence they never missed the bucket, & they proceeded to demonstrate in circle. **Concorde** charged **Screwdriver** with running out of piss, as he & **Dick Van** had to make a raid on the local liquor shop. **Screwdriver** defended by showing he still had a carton left of the original Gauge Roads left. **Mel Adjusted** charged **Troppo** with dereliction of duty by forgetting **Donka's** 10 year hat. **C Man** charged **Ampol** with being better behaved at the party than he was in KL.

WOW: **C Man** nominated **Disgraceful** for turning up & selling Haberdash but not coming to the party. **Mel Adjusted** for not helping pack up. Yes I did! **Arseholeo** for being **Arseholeo**. And **Aunty Jack**. **Arseholeo** won by public acclaim.

H4 Honors: Tonight we Congratulate: none tonight.

Jokes: **Mase** told us one about the special Octopus who could play any musical instrument. The piano in the pub was great. Then a drunk Scotsman went home and grabbed his bagpipes, returned to the pub, threw his bagpipes on the floor & said see if he can play them? **Mase** called to the Octopus, hey mate play that. The Octopus jumped on to the bagpipes and wrestled them around the floor. The Scotsman laughed and said I knew he couldn't. **Mase** replied as soon as he works out he can't screw them he will play them.

Meatman told a joke about the monkey screwing a lion, with **C Man** & **Captain Hook** acting out the roles with gusto.

Run Report: **Replicar** was called to do the run report. He thought it was a bit long, considering who the hare's were he scored it 11.5/10.

Ice: **Donka, Coops, & Concorde.**
