## [Run Report 2041: Mel Adjusted & Ampol @ Bayswater](#)

### Van Driver next week 27<sup>th</sup> December 2017 is Kazi

**Preamble:** Monday was a very wintery day. **Ampol** & I managed to set the run without getting wet. Luckily I had asked **Ampol** for the use of his spare factory unit to hold the run. We had 44 members start the run, with **Precious** the last to arrive. He is making a habit of that. The van was moved inside the unit so everyone was kept dry.

**The Run:** Well F\*\*k off that way **Mel Adjusted** called from the crate. It started well for about 150m then the trail had washed out. I jogged out to call the runners back to the trail through the new underpass under Collier Link. The runners found their way around some of the Bayswater industrial area, then across Beachboro Rd into Sanderson Rd Embelton. Up a couple of hills, north across Collier Rd, through Irwin Rd Cameron St onto Tolworth Way. To the drink stop at Ockley Square. **Ampol** & I watched **Halfway** appear first looking everywhere for trail. The rest of the walkers came out of Tolworth Way, and pointed us out. The runners came in 3 minutes later. The drink stop of Tawney Port & Lemonade was well received. A song then the pack was sent off to Embleton Ave, around on to Wotton St, Left into Beachboro Rd South. Then onto the brand new unused footpath alongside Tonkin highway for the run home. The special nibbles tonight as requested, Garlic prawns, olives, pickled onions, spicy meat & Cheese

**Circle Up & Visitors/Returniks:** **Hippo & Morphine.** The reported group of SOP boys must have piked out.

**General Business:** We welcome our Mary Christmas & her twin to the circle, loud cheers from the pack. **Stir** is out first reporting the **Replicar** said the GM couldn't make it back last week because of CALM, apparently trying to get the GM back out to sea. **C-man**, if you want tokens for next week see him tonight for he is away next week. **Cookie** came into the circle to tell us, **Pumpkin's** cousin Billy Bob is back from Alabama to say hello. Why didn't he come out for visitors? **Cookie**, came out again because he forgot what he really came out for, an accolade to the committee for an excellent job.

**Bravefart** to tell all going to Fiji that the PayPal account is set up, pay for the offshore run now. There are 20 registered already.

**Charges:** C-man on **Baron & Gasman** couldn't find the drink stop. Voo Doo can't stop talking. **Dik Van** same problem. **Donka** on **Elf, Donka** had to watch the movie ELF with the Grandies, no mention of Hamersley at all. **Screwdriver** on the Songmaster **Bravefart** for no xmas songs after giving some sheets of songs. **Spud** on **Halfway** for not finding the drink stop that was only 100m away.

**WOW:** Word Thible or Spuptle, a stick to **Stir** porridge. 1620 who were in a harbour. The Pilgrims. What did the Japanese army do in 1941 for the Japanese Emperor's birthday? Invade Hong Kong. The current wanker **Morphine** is resplendent in the shirt tonight. Nominations, **Cookie**, for no good reason **Gasman** leading the former GM **Baron** away from the drink stop. **Troppo** on telling the GM that **Replicar** was up for his 25 year hat when it actually was 30 years. **Popeye** talking when the RA is speaking, **Hippo** for being a skinny prick. **Hippo** wins.

**H4 Honors: Tonight we congratulate:** **Replicar** for 35 years as a Hamersley man. **Troppo** the ode

**Jokes:** none tonight.

**Run Report:** **Morphine** was kind to the OnSec, said it was a good run.

**Ice:** C man for showing his ring to the girls.

**Next week's run:** The joint run at Matilda Bay Australia II Drive, opposite the Royal Perth Yacht Club.

**Next Week's Bus Driver:** **Kazi**

**Hash Lunch:** Email coming soon from the Munch Master.

**Hares Act:** Jessie & Sarah

**Song:** Mother Australia's Hash

**H4 Hashhouse:** Chicken, chips, coleslaw, & a pizza for **Coops**.
